Facility Information

Anointed Residential Care is located in Sumter County at 551 South Sumter Street, Sumter, South Carolina 29150-5765. Team arrived at the facility at 10:09 AM and exited the facility at 12:45 PM. The administrator is Daisy Bradley. The facility is licensed for eight beds. The DHEC license had an expiration date of 3-31-18. The administrator's license had an expiration date of 6-30-18. The facility had a written emergency plan to evacuate to Church of God by Faith at 609 Atlantic Avenue, Sumter, South Carolina 29150.

Overview of Visit

During Team's visit we interviewed five residents; talked to staff; reviewed residents' records, medication, and medication administration records; and toured the service provider's facility. A lunch menu was posted, and Team observed a different meal had been served. Lunch consisted of baked chicken, rice, lima beans, and an assortment of beverages. The staff stated the residents will not eat the suggested items listed in DHEC menu. Team conducted an exit interview with the administrator.

Report Summary

During Team's inspection in the back-sitting room, smoke detector continued to beep. In the kitchen and in other hi-traffic walk areas, the floors are un-even. A bottle of bleach and other laundry cleaning products were openly exposed sitting on top of a washing machine, and underneath the kitchen sink was a second bottle of bleach. There were two non-perishable canned food items stamped with shelf-life dates no longer current; the canned food items were immediately removed and disposed of.

Resident A stated the meals are good and liked bedroom; wanted a dental examination, more recreational activities made available, and needed soap and shampoo. Resident B stated there are too many people at the facility; they don't get to come and go as they want, and does not get along with room-mate. Resident C stated food is good; wanted more pants and a sweater; wanted shaving equipment and does not

bathe daily, bathes every other day. Resident D stated sort of likes living at the facility; needed dentures, needed at least seven out-fits of in-season clothing, and does not have privacy. Resident E stated does not like living at the facility; would like seconds at dinner; they are unable to nap when they want to; does not have at least seven in-season out-fits; cannot get in and out of the tub or shower easily, and wanted shoes and socks without holes.
